## MEETING

March 12, 2019  
7-9PM

1201 Greenwood Cliff Drive,  
Charlotte 28204 (new entrance at  
traffic light)

### RADON

*Improving your business and  
helping you make more -*

Eric Roberts, Indoor Environmental will review radon testing procedures, the need for radon testing in areas of moderate risk and discuss radon mitigation options and systems.

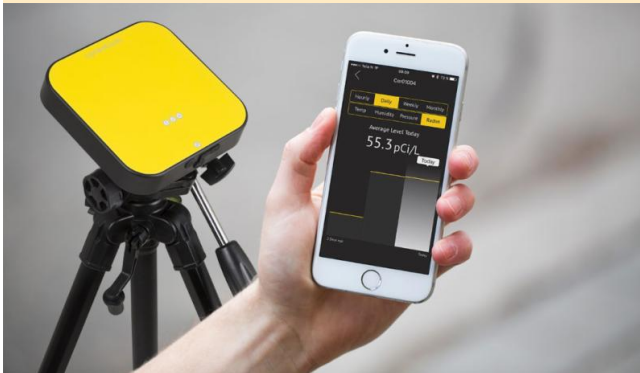

Hone your skills to promote your radon services and close more testing requests. Make sure you informed and can respond to all questions you may receive.

Eric has over 30+ years of experience, is AARST & NRSB certified and is a Region 3 Radon Trainer for Rutgers University. Eric is the go to source for radon and mitigation in the Piedmont region.

## Business Boosters

### Report Delivery

Are you still delivering reports with an email attachment or are you still using a word based system that does not interface with order management and report delivery services?

Get up to date with InterNACHI's free unlimited report delivery system. No need for additional service expenses. Appear professional and manage your reports.

This combined with their on-line agreement service is a one/two knock out punch!
